CALL TO ORDER

Mayor N. Dale Thompson called the council meeting to order at 10:04 a.m. Roll call was taken and quorum was present.

The Council reviewed an addendum to the park grant for an additional \$3275 for changes in the sprinklers and flower beds. CA Greiner asked for a breakdown of the additions from Bob Frack of Response to Nature but had not received it at the time of the meeting. After a review by the city's Park & Recreation committee members it was requested that the flower beds be cut back and put into grass for ease of maintenance and cut the cost of plants. Councilor Dallas Harsin asked if the cost of the plants would go down, with CA Greiner responding that it would but she did not have an approximate amount.

A motion was made by Councilor Boyd Harris to give the city's Park and Recreation Committee approval to make additional changes to the park plans up to \$3,275. The motion was seconded by Councilor Donald Jamieson and approved unanimously.

Resident Catherine Lee was present and asked who the project manager was for the park with Councilor Jamieson stated that they did not have a manager but all questions came to CA Greiner.

Meeting was adjourned at 10:07a.m.
