The Condon City Planning Commission will conduct a public hearing in the City Council Chambers of the Condon City Hall beginning at 6 p.m., on September 22, 2015. The purpose of the Public Hearing is to consider the public input and the adoption of an updated Transportation System Plan. Also to be considered is the adoption of a revision to the City's Zoning Ordinance to add the State mandated Access Management Standards to the Ordinance. Copies of the Transportation System Plan and proposed ordinances are available in City Hall. Any questions may be directed to Kathryn Greiner, City Administrator at 541 384-2711.

All interested parties are urged to attend.
