

# OR 206: ROCK CREEK BRIDGE 3-WEEK CLOSURE BEGINNING SOON

In early July work will begin to replace Rock Creek Bridge 10.6 miles east of Condon at milepost 51.67. This section of OR 206 will be closed on both sides of the bridge and a signed detour will direct all traffic around the project on OR 19 & OR 207 (as shown below) with message board notifications in Condon and Heppner.
